The Honorable Ezra Taft Benson
Secretary of Agriculture
Department of Agriculture
Washington 25, D. C.

Dear Ezra:

I happened to see an article in "Parade Magazine" by you in which you gave as your favorite Bible passage, "Ye Shall Know the Truth and the Truth Shall Make You Free". It is quite an extraordinary coincidence that several weeks ago, - and before I saw your article, - I contributed this same quotation to "This Week" which is carrying a series of favorite quotations, not limited to the Bible. I imagine that one of these days my contribution will appear in that magazine; however, you have deservedly stolen a march on me, but I thought that you might be amused at the coincidence.

Furthermore, as you know we are now in process of starting the construction of the new headquarters for C. I. A. out near Langley, Virginia. It has always been my purpose to use this quotation prominently as an inscription on the building. It seems to me particularly appropriate for the work that I am doing.

With kindest regards, I remain

Sincerely,

AWD/ji
